

We Won't Forget You

When the wind blows, storm's gone, When the rain comes, day breaks, When the ground be-neath you starts to slip a-way, love sur-rounds you like a warm em-brace, God is al-ways near. Then you come to know

And he cares for you. That it's real-ly so. You're not a-lone. Love is a bond, A per-fect here. We'll help you find your way. We won't for-get you. We are your bond, That time will not e-rase. fam-i-ly. We won't ig-nore you. We will not fail to see. We'll take your hand. We'll help you stand. We'll help you car-ry on. We won't for-get you. We are your fam-i-ly. When the We are a world-wide fam-i-ly. We won't for-get you. We are your fam-i-ly.
