

# You Gave Your Precious Son

**Parents, read and discuss 1 John 4:9 with your children.**

After watching the video *You Gave Your Precious Son*, help your children to cut out the glass of wine and the plate of bread and print out the table on the second page. Practice passing the emblems around, and then paste them onto the table where they belong. Then consider the question, "What do the wine and the bread signify?"

After placing the emblems on the table, read John 3:16 and ask, “How important is it to invite others to the Memorial?”
