

# Test Your Alarm System!

Parents, explain to your children where no one should touch them. Use the proper names.

Parents, read *Awake!* October 2007 and October 8, 1993. Now play a game of “What if . . . ?” with your child. Ask how your child would respond to different scenarios. Children, practice how to respond.

What if . . . ?

*Stop it!*  
I'm going to
