

Holy Spirit Produces Fruitage

READ JUDGES 13:25. Holy spirit made Samson physically strong. Today, holy spirit makes us spiritually strong by helping us to display important qualities.

1. Read the nine qualities listed as “the fruitage of the spirit” at Galatians 5:22, 23.
2. Choose the six qualities listed below that are part of the fruitage of the spirit.
3. On the three blank shapes, write the qualities that are missing.
(Clue: Samson displayed one of those qualities. See Hebrews 11:32, 33.)
4. Cut out the nine aspects of the fruitage of the spirit, and paste them onto the tree on page 2.

Which quality do you
want to work on?

**Pray for holy spirit,
and ask Jehovah to
help you to display
its fruitage!**
