Gitabangan ni Ana si Samuel sa Pag-alagad Kang Jehova

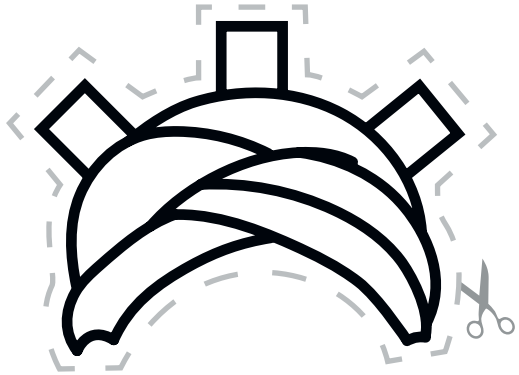

Basaha ang 1 Samuel 2:19, 26.
Gusto ni Ana nga magmalipayon ang iyang anak sa pag-alagad kang Jehova.
Kada tuig, iyang regalohan si Samuel ug bag-ong kupo, o sinina, nga walay bukton.

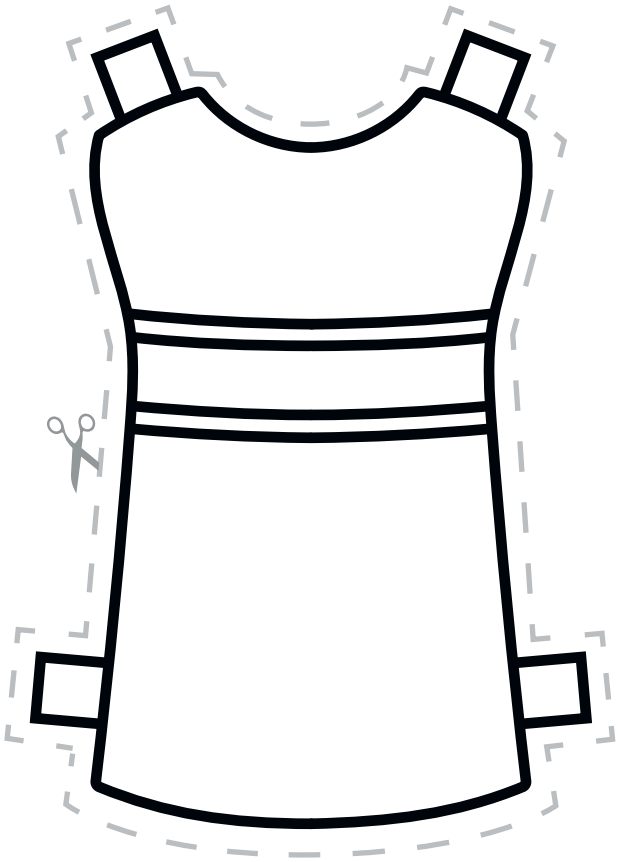

Kolori ang kupo ug purong ni Samuel.
Guntinga kini ug ipapilit kang Samuel.

PARA SA GINIKANAN: Tudloi ang imong anak nga ang maayong mga pulong ug buhat makatabang sa uban sa pag-alagad kang Jehova.
