

# From House to House

## Parents, read and discuss Acts 20:20 with your children.

Jehovah has given us tools to help us preach from house to house. Parents, plan a family field service day with your children. Then help them prepare to read a scripture, place a tract, and show a video. During your family field service day, use this activity. Children, place a check mark next to each tool you use.

**THE BIBLE****TRACTS****VIDEOS**

Read a scripture.

Place a tract.

Show a video.
