

# Pray for Others

## Parents, read and discuss Romans 1:8, 9 with your children.

Jehovah appreciates it when we pray for others. Anita is thinking of everyone she can pray for. Do the same, and then pray for them every day this week. Parents, visit the recommended [jw.org](http://jw.org) pages with your children to find out whom else they can pray for.

Can you think of others whom you can pray for?
