

Help Others

Parents, read and discuss Matthew 8:3 with your children.

Just like Jesus helped the leper, we can help our brothers in need. One way to help is by donating to the worldwide work. Parents, watch the video *Help Others* with your children. Then help them make their own family-donation bank.

Instructions:

1. Use a can, jar, or box.
2. Cut out the illustration below.
3. Glue the label to the can, jar, or box.
4. Place your donations in it.
5. At the end of the month, place what you collected in the contribution box labeled "Worldwide Work" at your Kingdom Hall.
