**(Levitikusi 10:1, 2)** Kamuva ngayinye emadodaneni ka-Aroni uNadabi no-Abihu yathatha umcengezi wayo womlilo, yafaka umlilo kuwo yabeka impepho kuwo. UNkulunkulu wayengawayalanga amadodana ka-Aroni, uNadabi no-Abihu ukuba awunikele lo mlilo phambi kukaJehova futhi wawabulala ngomlilo ngenxa yalokho. (Lev 10:2; Num 3:4; 26:61) Ngemva kwalokho, uJehova wathi ku-Aroni: "Ungaliphuzi iwayini noma obunye utshwala, wena namadodana akho, lapho niza etendeni lokuhlangana, ukuze ningafi. Kuwumthetho waphakade ezi-zukulwaneni zenu. Lokhu kuzonenza nikwazi ukuhlukanisa into engcwele nengcolile nento engcolile nehlanzekile, futhi nifundise ama-Israyeli zonke iziqondiso uJehova azikhulume kuwo ngoMose." (Lev 10:8-11) Lokhu kwenza kubonakale sengathi uNadabi no-Abihu babedakiwe, okwabenza baba nesibindi soku-nikela ngomlilo ongagunyaziwe. Kungenzeka ukuthi lowo mlilo wawunikelwe ngendlela

engafanele noma ngesikhathi noma endaweni engafanele, noma kungenzeka impepho yayi-ngathakiwe ngendlela eshiwo ku-Eksodusi 30:34, 35. Ukuthi babedakiwe akusenzi samukele-ke isono sabo.

**(Levitikusi 10:4, 5)** Ngakho uMose wabiza uMishayeli no-Elizafani, amadodana ka-Uzi-yeli, umfowabo kayise ka-Aroni, wathi kubo: "Wozani lapha, nithwale abafowenu nibasuse phambi kwendawo engcwele nibayise endaweni engaphandle kwekamu."<sup>5</sup> Ngakho beza babathwala ngezingubo zabo babayisa endaweni engaphandle kwekamu, njengoba nje uMose ayebatshelile.

**(Levitikusi 10:6, 7)** UMose wabe esethi ku-Aroni nakwamanye amadodana akhe u-Eleyazare no-Itamari: "Ningawayeki amakhanda enu engalungisiwe nezingubo zenu ningaziklebhuli, ukuze ningafi futhi ukuze uNkulunkulu angayithukutheleli yonke inhlangano. Abafowenu bayo yonke indlu ka-Israyeli bazobakhalela labo uJehova ababulale ngomlilo.<sup>7</sup> Akumelwe niphume emnyango wetende lokuhlangana, kungenjalo nizofa, ngoba amafutha okugcoba kaJehova akini." Ngakho benza ngokwezwi likaMose.

**Usungenile Yini Ekuphumuleni KukaNkulunkulu?**

**¶16** U-Aroni, umfowabo kaMose, wabhekana nesimo esinzima ngokuphathelene namadodana akhe amabili. Cabanga ngendlela okumelwe ukuba wazizwa ngayo lapho amadodana akhe uNadabi no-Abihu enikela ngomlilo ongekho emthethweni kujehova futhi ewabulala. Yiqniso, lokho kwaqedha noma ikuphi ukuxhumana la madoda ayengase abe nakho nabazali. Kodwa kunokwengeziwe. UJehova wayala u-Aroni

Kuwumthetho waphakade ezizukulwaneni zenu. <sup>10</sup> Lokhu kuzonenza nikwazi ukuhlukanisa into engcwele nengcolile nento engcolile nehlanzekile, <sup>11</sup> futhi nifundise ama-Israyeli zonke iziqondiso uJehova azikhulume kuwo ngoMose.”

<sup>18</sup> Ukuze sibe ngcwele, kumelwe sicabangisse ngemiBhalo futhi senze lokho uNkulunkulu asicela ukuba sikwenze. (1 Kor. 6:10; 1 Thim. 3:8) Unembeza wamaKristu amanangi ungawashukumisela ukuba alugweme ngokuphelele uphuza oludakayo ngaphambi kokuhlanganyela kunoma yiluphi uhlobo lwenkonzo engcwele. Nokho, izimo ziyehluka emazweni ngamazwe, ngakho into ebalulekile ukuba amaKristu akwazi “ukwahlukanisa into engcwele nengcolile” ukuze aziphathe ngobungcwele obujabulisa uNkulunkulu.

#### Indlebe

Lapho kubekwa abapristi kwa-Israyeli, uMose wayalwa ukuba athathe igazi lenqama eyayihlatshwe lapho kubekwa abapristi aligcobe endlebeni yangakwesokudla ka-Aroni neyamadodana akhe, esandleni sesokudla nasonyaweni Iwesokudla. Lokhu kwakubonisa ukuthi lokho ababekulalela, umsebenzi ababewenza nendlela ababehamba ngayo kwakufanele kuthonywe ngokuqondile yilokho okwakwenzeka lapho. (Lev 8:22-24) Ngendlela efanayo, lapho umuntu onochoko eselaphekile, uMthetho wawuthi umpristi kwakufanele agcobe lowo muntu endlebeni yesokudla ngegazi lenqama nangamafutha okwakunikelwe njengomnikelo wecala. (Lev 14:14, 17, 25, 28) Ilungiselelo elithi alifane naleli lalenzelwa umuntu owayefisa ukuhlale eyisigqila senkosi yakhe. Kuleso simo, isiggila sasilethwa emnyaango, inkosi yaso isibhoboze imbobo endlebeni ngenaliti. Ngokusobala lo maka, owawubekwa endlebeni, wawubonisa isifiso sesigqila sokuqhubeaka sithabela inkosi yaso.—Eks 21:5, 6.

IBhayibheli likhuluma ‘ngesifo sochoko endlini ethile,’ okuwukuthi isifo esasisesakhiweni uqobo. (Levitikusi 14:34-48) Kucatshangwa ukuthi lesi sifo esimangalisayo, esasibizwa nangokuthi ‘uchoko olubulalayo,’ kwakuwuhlobo oluthile lomngcithi noma isikhunta, kodwa akukho okuqinisekile ngalokhu. Noma ngabe yikuphi, uMthetho kaNkulunkulu wawuyala abanikazi bezindlu ukuba bakhipe amatshe analesi sifo, baphale lonke ingaphakathi lendlu, futhi balahle konke okunalesi sifo ngaphandle komuzi “endaweni engahlanzekile.” Uma lesi sifo sibuya futhi, yonke indlu kwakuthiwa ingcolile, ngakho yayidilizwa bese kulahlwa konke eyayakhiwe ngako. Izfundo Esingazifunda Encwadini KaLevitikusi

5 Yini esingayifunda endleleni okwakuse-tshenziswa ngayo impepho ngoSuku Lukuhlawulelwa? IBhayibheli lithi imithandazo uJehova ayamukelayo yezikhonzi zakhe ezithe-mbekile ifana nempepho. (IHu. 141:2; IsAm. 5:8) Khumbula ukuthi umpristi ophakeme wa-yeyiletha ngenhlonipho ejulile impepho phambi kukaJehova. Ngendlela efanayo, lapho sithan-daza kuJehova, sithandaza ngenhlonipho ejulile. #### Izifundo Esingazifunda Encwadini KaLevitikusi

**6** Khumbula nokuthi umpristi ophakeme kwakudingeka ashise impepho **ngaphambi** kokuba anikele imihlatshelo. Ngale ndlela, wayeqikelela ukuthi uthola isibusiso sikaNkulunkulu lapho esenikela imihlatshelo. Sifundani kulokhu? Ngesikhathi esemhlabeni, uJesu kwadingeka enze okuthile okubalulekile—okubaluleke ngapezu kokusindiswa kwabantu—ngaphambi kokuba anikele ngokuphila kwakhe njengomhlatshelo. Kwakuyini lokho? Kwadingeka alungiselele indlela yokuba uJehova awamukele umhlatshelo wakhe ngokuba abe qotho futhi athembeke. Ngaleylo ndlela, uJesu wayeyobonisa ukuthi ukwenza izinto ngendlela kajehova kuyindlela efanele yokuphila. Wayeyobe elwela ubukhosи bukaYise, ebonisa ukuthi indlela yakhe yokubusa inobulungisa.

#### U-Azazeli

Njengoba umphostoli uPawulu asho, lapho uJesu enikela ngokuphila kwakhe okungenaso-no ukuba kube umhlatshelo wezono zabantu, wafeza okukhulu kakhulu kunalokho okwaku-ngefezwa “igazi lezinkomo nelezimbuzi.” (Heb 10:4, 11, 12) Ngaleylo ndlela “wathwala ukugula kwethu,” “wahlatshwa ngenxa yesiphambeko sethu.” (Isaya 53:4, 5; Math 8:17; 1Pet 2:24) Wasusa izono zabo bonke ababonisa ukholo

enanini lomhlatshelo wakhe. Wabonisa uku-thi uNkulunkulu uyakwazi ukuthethelela izono ngokuphelele. Ngalezi zindlela imbuzi “ka-Aza-zeli” ifanekisela umhlatshelo kaJesu Kristu.

**(Levitikusi 17:10, 11)** “‘Uma noma yimuphi umuntu wendlu ka-Israyeli noma yisiphi isifiki esihlala phakathi kwenu edla noma yiliphi igazi, nakanjani ngiyomlahla lowo odla igazi futhi ngiyombulala. **11** Ngoba ukuphila kwenyama kusegazini futhi mina ngilinike nina ukuze nizenzele isihlawulelo e-altare, ngoba yigazi elenza isihlawulelo ngokuphila okukulo.

#### Isizathu Sokuba Sibe Ngcwele

**10 Funda uLevitikusi 17:10.** UJehova wayala ama-Israyeli ukuba angalidli “noma yiliphi igazi.” Ukudedda egazini—kungaba elesilwane noma elomuntu—kuseyimfuneko nakumaKri-stu. (IzE. 15:28, 29) Kuyesabisa ukucabanga ngokwenza uNkulunkulu amise ‘ubuso bakhe ngokumelene nathi’ futhi asinqume ebandle-ni lakhe. Siyamthanda futhi sifuna ukumlalela. Ngisho nalapho sibhekene nesimo esisongela ukuphila, sizimisele ukunganqotshwa ukuncenga nezifiso zalabo abangamazi uJehova nabangenandaba nokumlalela. Yebo, sikulinde-le ukuhlekwa usulu ngenxa yokudedda egazini, kodwa sikhetha ukulalela uNkulunkulu. (Jude 17, 18) Imuphi umbono okufanele sibe nawo ngale ndaba oyosiqinisa ukuba ‘singume ngo-kuqinile’ ukungalidli igazi noma ukuvuma ukumpontshelwa igazi?—Dut. 12:23.
